## So fresh it's ready for new protection

After using the Bona Deep Clean Service, your floor is ready for ultimate protection. Our high performing products are safe and easy to work with ensuring a durable surface.

## Revive your floor freshness

### Introducing the new Bona Deep Clean Service

Wooden floors are exposed to everyday wear and tear, leading to tired and dull surfaces. Heavy foot traffic, excessive grit and stains all affect the condition of your floor as well as the appearance and freshness of your premises.

Bringing back the fresh look and feel of a new floor, the Bona Deep Clean Service deeply revives wooden floors without even closing your premises. Removing the toughest dirt and scuff marks, the unique service provides a gentle yet extremely effective treatment giving you wooden floors that looks as good as new.
